The following pages have reminders of school procedures. Please take the time to read through some of the expectations with your children. Class teachers will also cover expectations for students and help them to understand the rules and show respect to others at all times and behave in a safe and responsible manner. Younger children are given many reminders to help them understand the expected behaviours and routines.

BEHAVIOUR MANAGEMENT IN SCHOOLS

A Behaviour Management Policy operates in this school and is available on our website. Our aim is to have a positive approach to behaviour management by encouraging and praising good behaviour and work. The basis of the policy is that all students will be encouraged to take responsibility for their own behaviour. Parents will be advised if there are serious breaches of the School Code of Behaviour.

ANTI- BULLYING

Morawa District High School seeks to affirm each child's worth and dignity. Bullying strikes at the core of those values and prevents students developing their full potential. Bullying can take a number of forms – physical, verbal, social and psychological. The school strongly opposes bullying in all its forms. Please inform teachers and/or administration if your child is experiencing bullying so measures can be put in place to stop or prevent it from occurring. Students will be taught explicit social skills to do with resiliency and anti-bullying during health and pastoral care lessons.

ATTENDANCE, ARRIVALS AND DEPARTURES

We hope to see continued positive attendance in 2015. Students who are regular attenders with over 90% will be placed in a raffle draw each term to win vouchers and receive passport points. Going to school every day does really matter. Teachers plan programs in a sequence so children can build on skills and activities from one day to the next. Attendance is compulsory for all students from Pre-Primary to Year 12. It is a legal

requirement that all absences are explained. Once absentees have been completed by class teachers, parents will receive an SMS message from the school informing them that a child is absent without reason. If your child is absent, please inform the school office of the reason in person, by telephone, in writing or by text. If your child is late, please ask your child to get a late note from the school office.

Students are expected to arrive at school between 8:30 and 8:40am. If students arrive before 8:30am they must immediately sit in the administration quadrangle and wait quietly until dismissed at 8:30am. Students are not to take their bags to class or order their lunch during this time. Students who arrive late (after 8.40am) must go to the office for a 'late note' before going to class. All lateness of any time is recorded in the record keeping and continued lateness will be discussed with parents. Students may only leave the school grounds during the day if they have been collected by a parent/guardian who has signed them out at the front office prior to collecting them from class. Teachers will not let children go without a sign out slip from the office. Teachers open classrooms at 8:30am to enable students to prepare for the day. School finishes at 3.10pm except Wednesday (2:30pm).

PARKING

Parents are asked to exercise particular care when leaving or collecting students. Parking is provided for parents on surrounding street frontages. Parents are also able to park behind the fence at the back of the school, accessed by Prater Street. Parents are discouraged from parking outside the Performing Arts building, particularly if leaving when students are walking to get on buses – this is a potential hazard due to reversing cars. All cars using this area must reverse park.

UNIFORMS

Uniforms are available from the Uniform Shop on Wed afternoons from 2.15-3.00pm. Please provide a hat for your child. Pre-Primary is the first year of compulsory uniform.

LOST PROPERTY

Please write your child's name clearly on all clothing and belongings so that they may be returned as quickly as possible. The "Lost Property" bin is located outside Room 11. Uniform

items not claimed after a reasonable time will be washed and sold through the Uniform Shop or forwarded to charity.

HEAD LICE

Head lice is a frequently occurring problem in schools. It is recommended that parents check their children's hair every Friday evening so that any problems can be treated over the weekend. Health Department fact sheets are available from the school office to assist with treatment.

HEALTH CARE

The spread of infections of viral infections such as a cold or flu can be minimised if students stay home in the early stages of illness when they are most likely to spread the virus through coughing and sneezing.

Health care forms are available on our website if changes need to be made or contact the front office for a new form. Medication: Most prescribed medication can be administered at home. There are times however when medication needs to be administered at school. Before doing so, parents must complete a Health Care Form.

HOMEWORK

Homework may be set for students and can take the form of home reading, concepts to learn, practice examples, or assignments requiring the student to undertake some research. Please refer to our Homework policy on our website.

LIBRARY

Students are able to borrow books from the library once per week. Students will need a preferably waterproof book bag to borrow books. Lost or damaged books will incur a cost.

MOBILE PHONES AND ELECTRONIC DEVICES

Students are not to have mobile phones, ipods or iPads with them during the school day and they are discouraged from bringing them to school at all. If it is necessary for your child to bring electronics to school, they are to be switched off and taken to the front office before 8-40am where they are labelled and stored, or stored in their schoolbag at their own risk. Students may collect items after the final siren. Students in possession of, or using these items during school hours, will have them confiscated. The

item will need to be collected by the student's parent/guardian from the office at the end of the school day. If this is a reoccurring issue, parents will be contacted.

PARENT VOLUNTEERS

Each year the school program is greatly enriched by many volunteers, parents and family members helping out with reading groups, excursions, library work or other school functions. At the beginning of each year it is a mandatory requirement for the safety of children that all parents of children at Morawa DHS sign a confidential declaration and all non parent volunteers require a Working with Children Check. Teachers will seek your cooperation in meeting our requirements to ensure children's safety.

Visitors to the School: For security reasons, all visitors to the school must sign the Visitors Register and obtain a badge at the school office. On completion of your visit please return the badge and sign out. This is due to emergency evacuation procedures. All Departmental employees, volunteers, visitors and external providers in child-related work must hold a Working with Children Check in accordance with Departmental regulations. Parents volunteering for school activities where they have a child enrolled at the school are exempt from having a Working with Children Check.

GROUND AND SECURITY

Parents are asked to remind students that the school grounds are out of bounds out of school hours. In the event of vandalism, please report to School Watch on 1800 177 777 or the local Police on 99 601 666.

Parenting *ideas* INSIGHTS

Building parent-school partnerships

WORDS Michael Grose

It's not okay to be away ... nor to be late to school

When kids miss school, not only is their academic progress impeded, forcing them to catch up on missed work (which some never do), they often miss important interactions with their peers which can compound issues of social isolation and low self-esteem.

One of the most important things you can do to ensure your child has a bright future is to make sure he or she goes to school every day—and gets there on time.

It sounds simple, but it's true. The correlation between school attendance and children's achievement levels is well-established. The more time kids spend at school, the more likely they are to experience school success.

Conversely, according to a report from the Victorian Auditor General, students who are regularly absent from school are at the greatest risk of dropping out of school early, and of experiencing long-term unemployment.

When kids miss school, not only is their academic progress impeded, forcing them to catch up on missed work (which some never do), they often miss important interactions with their peers which can compound issues of social isolation and low self-esteem. Also, many teachers tell me, it's often the kids who can least afford to take time off school who are most likely to be serial absentees.

Of course, most people know this intuitively, yet school absenteeism is a huge problem in Australian schools—and much of it is parent-condoned.

It's hard to get an accurate picture across the country but it would appear that Australian students miss an average of between 12 and 15 days per school year, with parent-condoned absenteeism highest among young primary-aged children.

That adds up to a year's lost schooling over the school-life of a child. In today's highly competitive world, this rate of absenteeism is alarming, putting our kids at a distinct disadvantage.

That's not a reason to be away!

It's now commonplace for children to stay away from school for reasons that would have been unheard of just twenty years ago. These include staying away to celebrate their own or a sibling's birthday; being absent because they stayed up too late watching television; going shopping for clothes; an extended long weekend; and kids not wanting to take part in a

sports day or special school event.

This type of absenteeism sends a strong message to kids that parents don't really value learning or their children's school experiences.

Australian kids only spend 15% of their total time at school. They spend more time asleep than they do at school. So we need to maximise every day to get full value. That means turning up to school every day, on time.

Being late is not okay either

Missing a few minutes each day may not seem like a big deal but your child may be missing more than you realise if he or she is continually late.

Current research shows that mornings for most children are the most productive time of the day, with 10.00am the peak period for productivity. When children arrive late and take time to settle as they inevitably do, valuable learning time is lost.

... It's not okay to be away ... nor to be late to school...

It takes strong parenting ...

As a parent myself I know how persuasive children of all ages can be when it comes to taking a day off school. It takes a strong will to resist the persistent pressure that kids can bring to bear, particularly if they play the guilt card with comments such as "It's not fair that I have to go school today because Aunty is coming to visit!" Nice try. But the answer should be "No!".

As parents we need to make a commitment that our kids make the most of their precious time at school. That means that we send them to school every day, on time and ready to make the most of the school day.

Of course, there will be times, such as illness or genuinely extenuating family circumstances, when kids should be away. But these need to be a rarity rather than the norm.

It's reassuring to know that you increase their chances of future success just by making sure they turn up to school every day. And of course regular school attendance also helps kids prepare for the workforce, where it will be expected that they turn up each day work-ready. The real world is unforgiving of those who stay away with NO EXCUSE.

AS A PARENT:

- ✓ Commit to sending kids to school every day.
- ✓ Make sure kids arrive at school and class on time.
- ✓ Inform the school when they are away, sending medical certificates and other evidence of genuine absence.
- ✓ Consider catching-up on missed work.
- ✓ Make kids who are away stay in their bedroom – that is where ill kids should be.
