

# Morawa District High School

## CONTRIBUTIONS & CHARGES KINDERGARTEN

An Independent Public School

### **Information for Parents/Guardians—2022 Contributions and Charges**

The Government provides a comprehensive education for all students throughout Western Australia and Government funding of schools accounts for a significant part of the State budget. Government funding is provided to schools for the operating costs associated with the education of students, including the provision of salaries for teaching and administrative staff, school buildings and facilities and certain materials.

The financial support of every family plays a major part in providing extra resources that extend the school's capacity to broaden and extend the learning experience for all students. The quality of the school's programs is maximized when each family makes its contribution and assists in supplementing funds gained from both State and Commonwealth Governments.

Under the Student Centred Funding model, funding is allocated to schools based on the learning needs of students and school characteristics. It delivers funding for each student enrolled and additional funding for students needing extra support, rather than delivering funding for school types and education programs

In accordance with requirements of the **School Education Act 1999** and **School Education Regulations 2000**, the Morawa DHS School Board has reviewed and endorsed the schedule of the Contributions, Charges and Personal Items Lists for 2022.

### **Contributions**

The contributions requested are used towards the cost of materials, services and resources directly used or consumed by students in the educational program. The school can request a contribution of up to \$60.00 per student in Kindergarten –Year 6. Contributions collected at Morawa DHS contribute to:

- Photocopying for class work, printed and electronic materials
- Classroom resources, science consumables, text and reading books
- Physical Education and Art equipment
- Consumables for Technology and Enterprise

Morawa DHS asks \$60.00 for students in K-Year 6 for the school year.

**This contribution is voluntary. It is expected that those who can afford to will make the contribution.**

### **Charges**

**Where students elect to participate in extra cost optional components, compulsory charges apply.** Charges apply to high cost options (called extra cost optional components) in Years K-6 that are alternative to parts of the program covered by the contribution. Students can opt to select these.

**Extra cost options** are specific activities, services or facilities that schools offer for students to use or take part in. Incursions, Excursions such as camps, the school photographs and school social activities are examples. Students opt to take part in these activities or use the services or facilities.

The charge associated with the provision of these activities, services or facilities covers the cost of providing the service or running the activity. The school relies on payment for the activity to occur.

### **Personal items**

Parents are also responsible for the provision of a student's personal items. The list is detailed and provided to parents with the school contributions and charges list.

**Your child's Personal Items list is on the back of this information sheet.**

- Morawa DHS offers a range of payment options to assist parents.
- Morawa DHS will accommodate periodic payments from parents.
- Payments to the school can be made via direct deposit, cash/cheque payable to the school or by EFTPOS at the school office.

Please contact the Manager of Corporate Services Mrs Linda Jenkins for more information regarding any of the above options.

Overleaf you will find information showing the maximum amount of requests as detailed above that the school would expect from parents for your child for the 2022 school year.
